

## STUDY & LIVING EXPENSES

Apart from the tuition, other expenses will be incurred during your study in Donghua University. CIP estimated the possible expenses as followings. The estimated is made based on the assumption that a student is not conditional admitted and does not retake any course. The actual expenses may vary according to the personal spending habits and the changes of the market prices

With the exception of the 6<sup>th</sup> Installment of AUD 8,300 which is payable directly to Raffles College of Design and Commerce (RCDC), all the other fees such as application fees, tuition fees, insurance in China, will be paid to CIP directly.

The estimated expenses are not including the expenses happened in Australia and calculated based on the following rates: USD 1 =CNY 6.83, USD 1=AUD 1.37, The actual cost is calculated based on the exchange rate of the date.
